“  
We aim to create a fertile environment for students to explore and understand how their life, not just their profession, can contribute to a meaningful society; to give space to a new intellectual voice that speaks from a Christian perspective; to provide an opportunity for academics and professionals from a range of fields, who share the Christian faith, to foster an intellectual community built on research and scholarship, which is engaged in the public discourse for the greater good of society.”

## Join us in establishing a world-class Australian Christian University!

Imagine a private, Christian University on Queensland's beautiful Sunshine Coast. Imagine a university committed to

- » investing in their students' whole-person development
- » the highest international standards
- » exceptional research and teaching facilities
- » cultivating wisdom and leadership by integrating Christian scholarship in the pursuit of knowledge

We're on a mission to establish a world-class Christian 'university college' that offers Certificate level qualifications through to Bachelor, Masters and Doctorate degrees, and everything in-between, across all fields of study that any 'normal' world-class university would offer.

We see an opportunity and we are stepping out in faith with the vision to fill this gap.

## Location & Facilities

Located in Maroochydore, the heart of the Sunshine Coast, our proposed multi-campus university will cater for our students' every need.

We have plans for an **inner-city campus**, including a performing arts centre, to be nestled amongst Maroochydore CDB development that is currently in progress. Read more about this at [maroochydore-city.com.au](http://maroochydore-city.com.au).

Discussions are underway to situate our **traditional multi-acre campus** and **student accommodation** site within close proximity for the benefit of our students.
